**ANNUAL PUBLICATION OF
CHARLOTTE COLLEGE**

IN DEDICATION

The students and faculty of Charlotte College gratefully dedicate the 1955 publication of the Si Si Yearbook to the citizens of Charlotte in recognition of the splendid support they gave to the College on May 18, 1954 when thousands of Charlotteans went to the polls and unselfishly voted for financial help to their community college. Their generosity has enabled Charlotte College to continue to provide the community with the most valuable of intangibles: Education.

IN APPRECIATION

The students and faculty of Charlotte College wish to express sincere thanks to Charlotte's civic leaders who have given their valuable time for the continued development of the College.

STUDENT COUNCIL

The Student Government, under the forceful leadership of Don Payne and the inspiring assistance of Mrs. Edyth Winningham, has given the students of Charlotte College a smooth functioning governing body.

Committee Chairmen and publication heads meet every other week to argue, discuss, and formulate the plans for student activities.

The students of Charlotte College are sincerely grateful for the valuable time which was given by these student leaders in order that a productive and successful year could be realized.

The purposes of the newspaper are to create a wholesome school spirit, to encourage worthy school activities, and to record the history of the school.

The Staff of the Charlotte Collegian, edited by John Kilgo and under the supervision of Miss Mary Denny, has done a remarkable job in providing an interesting newspaper to the students, faculty, and alumni of Charlotte College.

The purpose of Rho Gamma Alpha, the Greek letter social sorority at Charlotte College, is to bring together girls of similar interest in a social sisterhood. Pledges are admitted each quarter on the basis of character, personality, and interest displayed in the organization. The rituals of the sorority are secret and are related only to members.

The sorority aids the college in carrying out its programs through work projects and social activities to bring the students closer together.

SPANISH CLUB

Through the Spanish Club the students of Spanish classes receive a broader view of Spanish life and customs. The Club, under the guidance of Mrs. Frances B. Hoyle, was organized with a two-fold purpose in mind—education and social. The educational aspect presents an opportunity to use the language as it is learned in the classroom. The social phase aims to further good relations with fellow students.

FRENCH CLUB

The French Club was organized at Charlotte College in the early fall of 1954 by a group of students under the very capable direction of Dr. Pierre Macy.

The Club meets quite informally for the purpose of "learning while socializing," and although young in its organization, the Club has enjoyed considerable success among the students of Charlotte College.

Owls

SQUAD

Slade Joyner, John Kilgo, Raeford Brown, Jim Brady, Rea Hinson, Neal Broome, Jerry Gaudet, Vic Brawley, John Culp, Roy Warren, and Coach Buddy Smith.

All of us here at Charlotte College cannot say enough in praise of the wonderful job the 1955 Owls did on the basketball court. Few people realize how very different basketball at Charlotte College is from basketball played by larger colleges.

Most of our basketball players work all day and then attend classes in the evening. After class they have at least a two-hour spirited practice session and then go home and study for the next day's classes. Even with this strenuous schedule, most of the players maintain a high scholastic average.

Neal Broome and Jerry Gaudet with Coach Smith.

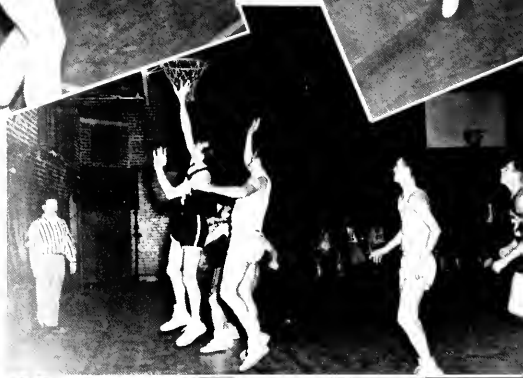

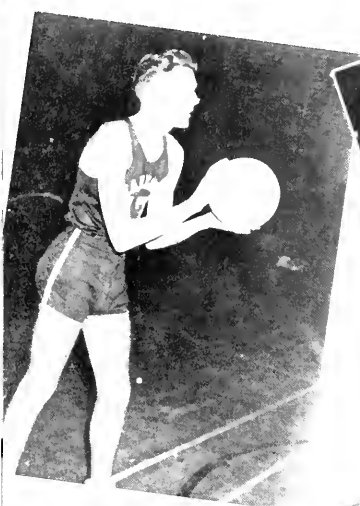

B A S K E T B A L L

Under the inspiring tutelage of Coach Buddy Smith, the Charlotte College Owls of 1955 had an excellent season. All of their games were either won or lost by very close margins. To single out any one player is impossible because everything which was accomplished by the team was due to team effort.

Charlotte College is proud of and grateful to its team and its coach. We hope that next year's Owls will show the spirit and the will which have characterized the 1955 Owls.
